

UPCOMING Scheduling and Updates

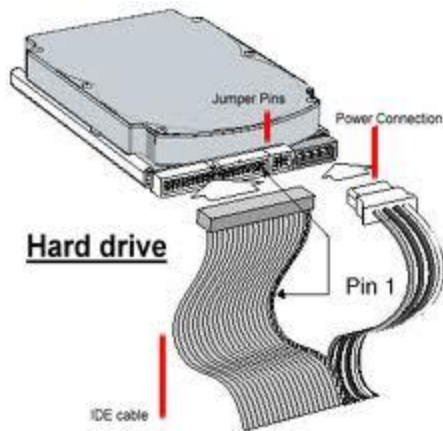

- **My schedule**
 - ✓ This week mostly at CUA
- **Refractive index team is out of town this week**
 - ✓ Please don't disturb their setup
- **APS/DNP meeting abstracts *due August 1***
 - ✓ ~3 weeks from now! – please show me your abstract/contribution statement by Friday 27 July
- **Summer final reports and presentations**
 - ✓ Due before you leave – for most of you that means *due August 3*

UPCOMING JLAB TRIPS

- **Next dates for trips to JLab: July 24-26 (Laura, Marco, Nathaniel)**
 - ✓ Additional prototype tests – or can we do everything at CUA at this stage?

UPCOMING Scheduling and Updates

- **Computer question of the day**
 - ✓ More hard-disk space? Backup?

Lots of data – how much space does it take?

Our current backup technology....
